

Learning to groW.

"Kaylee, it's your turn to feed the calves," announced Auntie Chris. One calf had just been taken from it's mother. It could smell the milk in Kaylee's bucket but had no idea how to drink it. Auntie Chris showed

Kaylee how to dip two finger in the milk and let the calf suck on them as she drew it's head down to the bucket. The calf's tongue was rough and slimy and it sucked hard on kaylee's fingers for a few seconds then lifted it's head, butted her chest and dribbled milk down her shirt. Kaylee tried again and again before the calf got the idea and could drink by itself.

This was a big change for the calf. It had to learn a new way of drinking milk if it was going to keep on growing. When we put our trust in Jesus as our special friend and Saviour it's a big change in our life but we will grow too. There is a song that goes, "Read your Bible, pray every day, if you want to grow."

Listen to God 2 Peter 3:18

In the Contemporary English version it says, "Let the wonderful kindness and the understanding that come from our Lord and Saviour Jesus Christ help you to keep on growing."

Talk to God!

Thank you Lord Jesus for what the Bible teaches us about you. Help us to keep learning and growing all the time.

Tell God what you like best about Jesus.
